North Greenville University (NGU)

Luke Edwards signs with North Greenville University

Luke Edwards has signed to play basketball at North Greenville University. A 2013 graduating senior at Chapin High School, Luke was a team captain and led the Chapin Eagles to a SC State Playoff bid this season. "Luke did a lot of the intangibles for our team. His work and dedication was great and he is a true leader," said Chapin Head Coach Mike Burge. An all-around student-athlete, Luke played four sports during his high school career, adding track, baseball and football to his resume. "We feel very blessed to have Luke join our program," said NGU Head Coach Chad Lister. "Luke has a high basketball IQ and will work extremely hard to be part of our future success."
